7 GCSE and A Level	2	70							70	3

Questions chosen for comparison with responses sorted best to worst to allow quick identification of problem areas and strengths.

The graph helps you to quickly drill to the issues. The longer and darker the line the better! Each questions responses are ranked best to worst.

Shows the total of "Agree Completely" & "Agree Mostly" as a %. Provides you with a guide to general satisfaction.

The rating and difference show the distance each group is away from the survey average. Shows the level of satisfaction or dissatisfaction for each group.

Example 8 of 8: Issue Comparison
